Vision

Our vision for higher learning is drawn from the following objectives of Sri Sai Foundation and Educational Trust for development of higher education.

1. Correct regional imbalances in access to higher education by facilitating access to high quality institution in semi- urban areas, creating opportunities for students from rural areas to get access to better quality education, and setting up institutions in un-served and underserved areas.
2. Improve equity in higher education by providing adequate opportunities of higher education to SC/STs and socially and educationally backward classes; promote inclusion of women, minorities and differently abled people.

Mission

Our mission is to empower our indigent rural population with holistic education and strong social responsibility. Our responsibility to our students is not only to develop individual capabilities and marketable skills but to also provide learning that nurtures and promotes an equitable and humane society.
